CREDIT GIVES MISSION

- ▶ **Credit Gives helps merchants save money.**
- ▶ Credit Gives can reduce a merchant's credit card processing fees without sacrificing customer service or client conveniences. We do this by partnering with competitive processing companies. *We make sure you're getting the best deal possible, even if it's not with us!*
- ▶ **Credit Gives initiates charitable giving.**
- ▶ Credit Gives generates sustainable sources of revenue for nonprofits; donating a portion of the credit card processing profit to the merchant's nonprofit of choice. Donations are sent quarterly and derived from the savings in processing fees, not your revenue.
- ▶ Businesses and nonprofits benefit when partnering with Credit Gives.
- ▶ *Paying With Purpose*

WHAT IS CREDIT GIVES?

- ▶ Paying with Purpose
- ▶ CreditGives aims to lower a merchant's current credit card processing rates, but also donates 20% of their processing profit to the merchant's nonprofit of choice.

WHY CHOOSE CREDIT GIVES?

- ▶ **Economical** - Merchants have the opportunity to lower their current credit card processing rate.
- ▶ **Philanthropic** - Nonprofits receive sustainable funding, allowing them to broaden and enhance their mission.
- ▶ **Social** - More support to nonprofits and businesses leads to a healthier community.

HOW DOES PARTNERING WITH CREDIT GIVES HELP YOUR NONPROFIT?

- ▶ The more businesses you partner with, the more revenue you earn. Nonprofits receive a monthly automatic deposit from the savings in merchant processing fees.
- ▶ When we process your transactions, such as conference registrations, we donate a portion of the transaction fees back to your nonprofit. And we do so at no cost to your nonprofit.
- ▶ Credit Gives provides businesses and community members with an easy way to donate just by using their credit card or debit cards for purchases.
- ▶ Referral program
- ▶ Everyone comes out ahead!

REFERRAL PROGRAM FOR NONPROFITS

- ▶ Get 10% residual income on all referrals given to Credit Gives, if they choose to switch to Credit Gives.
- ▶ If that business then chooses your nonprofit to give back to, you receive another 20% residual income.
